**The Breakfast Club** on iHeartradio's Power 105.1 features the talented hosts, Charlamagne Tha God, Angela Yee, and DJ Envy. The trio all started in the radio industry as sidekicks to Wendy Williams (Charlamagne), Miss Jones (DJ Envy) and Cipa Sounds (Angela Yee).

The Trio is topical and sought after by everyone from rappers to authors to politicians. The chemistry between the trio is always in concert and provides an overdose of entertainment each morning. Notable features include Donkey of the Day and The Rumor Report.

Charlamagne is an established (and growing) media mogul, Best Selling author and TV producer, Yee is an entrepreneur and avid book reader and DJ Envy is a respected producer and self-taught real estate mogul. The show is hosted and taped in the New York offices of [Power 105.1 FM](#)
